

Annie JR Monologues

Annie:

My Mom and Dad left this locket when they left me at the Orphanage. They're coming back for me. I know I'm really lucky, being here with you for Christmas. But... the one thing I want in all the world... *(Starting to cry)* is to find my mother and father.

Warbucks:

I was born into a very poor family and both of my parents died before I was ten. So, I made a promise to myself - someday, one way or another, I was going to be rich. Very rich. But, I've lately realized if you have no one to share your life with, then you might as well be broke.

Policeman:

Hey you, little girl.... Come over here. That dog there, Ain't he a stray? You say he's your dog? Hmmmm. So what's his name? Sandy, huh? Okay. Let's see him answer to his name. Call him by his name and if he comes to ya then maybe he is your dog. But the next time I want to see him with a leash and a license, understand?

Miss Hannigan: Ah ha! Caught ya! Get up! All of ya! So what if it's four o'clock in the morning?! For this one's shenanigans you'll all get down on your knobby little knees and clean this dump until it shines like the top of the Chrysler building.
