

## Jungle Book Kids Monologue

**BAGHEERA:** From now on, you are listening to what I say. Now, I am going to start walking to the village and you are going to follow me. Make no mistake about it, you are going home.

**BALOO:** I promised he could stay here with me..... But you're right, Bagheera. I'll tell him in the morning. We have no choice. He's got to leave the jungle.

**SHANTI:** It's not a MAN village! There are women and little girls...and little boys just like you. Sometimes I sneak into the jungle to have an adventure.

**MOWGLI:** He wants to hurt me? But I've never even met him. You need to explain to him that I'd never make fire and hunt tigers. I want to stay in the jungle! I am a lot tougher than people think!
