

# Madagascar Jr Monologues

**Marty:**

Yep, show's over folks. Thanks for coming. I'll be here all week! In fact, I'll be here my whole life, three hundred sixty-five days a year, including Christmas, Chanukkah, Halloween and Kwanzaa.... Hey, you in the tux! What the heck are you guys doing?

**Melman:**

Oh, no. No, no. I can't be transferred. I have a dermatology appointment with Dr. Goldberg at two, acupuncture with Dr. Wu at the three and ear, nose and throat with Dr. Patel from four on. Uhh, these waves are making me nauseous... I'm allergic to seasick pills. Oh, brother. There's nothing worse than traveling in a crate. Ow! Splinter!!

**King Julien:**

Welcome, you cavalcade of weirdos! Please feel free to bask in my glow. We thank you for saving the insignificant life of Mort. Don't be rude, Mort, what do you say (pause) Oh, be quiet, Mort. You are so annoying! We also thank you with enormous gratitude for chasing away the Foosa.

**Candy Hammernose:**

This is "The Evening Actions News" with Candy Hammernose... the nose for news. We take you live to Times Square where witnesses her say a zebra has been seen roaming the streets.... this breaking news just in. We are now learning that three more animals have escaped from Central Park Zoo. Officials says a hippo, a giraffe and a lion are currently on the loose. IS this the end of civilization as we know it?
